About the Better Breathers Club

Benefits

Our patients are assured of quality care and management of each individuals' needs. The staff is trained to provide information and interventions to improve the quality of life of our patients and their families.

People

Cindy M. Martin, RN BSN, is a staff member of Pulmonary Rehab and advocate to the Better Breather's Club.

Action

Participation in the Better Breathers Club lends support to patients with pulmonary disease and their families, friends or caregivers.

Features

The American Association of Cardiovascular and Pulmonary Rehabilitation certifies the Pulmonary Rehab Department at Frazier Rehab Institute

Holiday Party!

Volunteer Opportunities

Volunteers are always welcomed!

If you're interested in helping out, please call (502) 582-7620.

Many thanks to Bill Crosby, Esther Levitz, Judy Greulich, and Joann Fancher who volunteer to contact other members with club news and for their support of the Better Breathers Club.
